

Holston Conference Clergywomen's Gathering '06

Matthew 26 and Mark 14 speak of the anointing at Bethany. These words seem appropriate for us during Women's History month in March: "You can be sure that wherever in the whole world the Message is preached, what she has just done is going to be remembered and admired." [*The Message*] As the clergywomen of Holston Conference gather on March 6, we will have the opportunity to remember and to proclaim the names and influences of women who have made a difference in our lives. These women may be deceased, or they may still be living. They are, in the words of the latest book by Helen Bruch Pearson, our "*Mother Roots*." Come to our gathering prepared for table talk, the sharing of a meal, and the opportunity to tell "what she has done" during our time of worship.
