

Circuit Rider Dispatch

Holston Conference of the United Methodist Church Foundation, Inc.

Greetings from the Holston Conference of the United Methodist Church Foundation. We are providing this inaugural eNewsletter to local church leaders, volunteers and clergy throughout the Holston Conference. You will find up-to-date, helpful information on topics that will impact your quality of life, your finances and your legacy—not just for you personally but in your leadership role in the church.

Holston Conference Foundation Welcomes Home Bishop Mary Virginia Taylor

The recent Southeastern Jurisdictional Conference appointed Bishop Mary Virginia Taylor as resident Bishop to the Holston Conference. Bishop Taylor will serve as a member of the Foundation's board.

Taylor left Holston after her 2004 election to serve as bishop of the South Carolina Conference. She is a former Cleveland District superintendent, former chair of Holston's Board of Ordained Ministry, and Holston delegate to six General Conferences.

A Service of Celebration for Bishop Taylor will be held September 9, 2012 at 3:00 PM at Concord UMC, 11020 Roane Dr., Knoxville, TN 37932. Reception will follow.

The Foundation Staff Is Here for You

The Foundation board and our capable staff invite you to contact us for assistance with planned giving, stewardship or investment questions. When evaluating your giving options, we hope you choose to support your local church and other United Methodist ministries. We also hope you will consider endowing your gift through your estate plan or other planned gift. To that end, the Foundation is eager to assist you in confidentially evaluating your personal options or advising your church with educational materials and programs. Your legacy is important to us. We are at your service.

We invite you to click on one of the links below to explore the new Foundation website www.holstonlegacy.org or to forward this email to others.

If you wish to no longer receive this bi-monthly email please choose to "opt-out" by following the instructions below.
