Holston Conference of the United Methodist Church Foundation, Inc.

We all desire significance—to lead happy and fulfilled lives surrounded by family and friends.

For many of us, there is a compelling need to make a difference – to leave a lasting impact on the people most dear to us and the world in which we live. The search for significance and desire to plan for the future leads many to ponder their legacy.

What kind of legacy will you leave? A bequest is perhaps the easiest and most tangible way to have a lasting impact on the ministries of your local church that mean the most to you. A bequest may also be an effective way to lessen the burden of taxes on your family and estate.

The Holston Foundation does not help individuals prepare their wills; however, we can assist you in finding a qualified professional advisor. We can also provide individualized donor agreements to make sure your charitable interests are carried out when the time comes for your will to be executed.

[Please contact our office](#) if you need additional information. Our free consultation is confidential and we travel throughout the Conference meeting with individuals who are planning their legacy as well as church committees who promote legacy giving to the church.
