**Have your stocks or other assets appreciated in value?**

The end of the year is coming fast. You still have time to make a gift and receive valuable tax benefits. Depending upon your goals, a charitable gift made before year end can provide you with lifetime income, save taxes on appreciated assets like property or stock, and reduce your taxable income on this year's return.

You can give long term (more than one year) appreciated assets, such as stock, to benefit your local church or favorite ministry or even create an endowment through the Foundation. Contact us to learn more how a simple transfer can fulfill your year-end giving goals, possibly create a life time of tax-free income for you or your loved ones and save on taxes.
