Way to go! Way to give!

waytogive.holston.org

Recently the Council on Finance and Administration launched the *Way to go! Way to give!* campaign for the Holston Conference to share the impact Holston churches are making in communities and around the world. Through our love for Jesus Christ and generous giving, we've made a difference for generations past and still do today, in different places and different ways. **Together, we'll never know how many lives we've changed.**

To support ongoing efforts in the various ministries to be highlighted each month in the local church, you may want to consider establishing or contributing to an existing endowment with the Holston Conference Foundation. Whether your passion is recovery ministry, disaster relief or evangelism, an endowment will be an enduring source of funding that will last in perpetuity. The Foundation staff will take the time to listen to your hopes, dreams and even fears of what a gift from your estate (or an outright gift) may accomplish for the local church or a conference-wide ministry. When our passion to promote good stewardship of God's resources meets a donor's desire to impact the kingdom, not only are lives changed but vital ministries achieve sustainable funding.

The Holston Conference Foundation is proud to support the Holston Conference's *Way to Go! Way to Give!* recognition and celebration campaign of those who regularly and sacrificially give. To consider giving an estate gift, an appreciated asset or to create a trust that will sustain those ministries you are passionate about, we invite you to contact the Foundation by clicking [here](#) or call 1-866-690-4080.
