

Episcopal Greetings

Dear Holstonians, I greet you in the name of the Lord Jesus Christ as you receive and begin reading this edition of the Holston Annual Conference Journal. I have come to learn over my eight year tenure in Holston that many of you value the journal as a great source of information of our effectiveness and faithfulness to God's call upon our lives to make disciples of Jesus Christ. It is also a record of how we live out our discipleship and give an account of our stewardship of the many gifts God showers upon us.

This last year saw us increase our average worship attendance, continue to grow in our number of professions of faith, demonstrate our commitment to reaching beyond ourselves as expressed in our record giving to missions within the conference, outside of the conference, support for those suffering from HIV/AIDs and supporting the worldwide ministry of the United Methodist Church. We continue to cultivate an atmosphere where the Holy Spirit can raise up young women and men that respond to God's call to ordained ministry and lay leadership. Many of our existing congregations are extending their outreach by starting second sites and helping existing congregations to be new centers of vitality. I praise God for the adaptive leadership I see springing up all over Holston.

This journal marks a transition from my tenure as the resident Bishop of Holston to your new Resident Bishop, Bishop Mary Virginia Taylor. My prayers go up for her as she comes among you again that the Holy Spirit would empower your work together.

Blessings,

Bishop James Edward Swanson, Sr.

James E. Swanson, Sr.

Terminology for Appointment Codes

Ordination is performed by a Bishop and conveys the rites and privileges of each ecclesiastical order.

Membership is by election of the full connection clergy members of the annual conference.

Members in Full Connection are clergy who have been elected to full membership in an annual conference at an annual conference clergy session. Only full connection members may vote on all matters including clergy membership. Full connection members do not hold membership in the local church but in the annual conference.

Equitable Compensation is the minimum salary recommended by the Conference Equitable Compensation Committee, for each ordained and licensed clergy classification.

Ordained

Elders in full connection (FE) have sacramental (Communion and Baptism) authority. While most elders serve as pastors in a local church they are also found in a variety of extension ministries. Elders are subject to the itinerant system.

Deacons in full connection (FD) may serve either in the local church, in extension ministries, and appointments beyond the local church. Deacons do not have sacramental authority but may assist an elder. Deacons are not subject to the itinerant system and find their own ministry setting. Deacons may perform weddings. Deacons who work outside the local church must also have a relationship with a local congregation.

Commissioned and Licensed

Provisional Members are clergy who have completed their educational requirements and serve a residency (probation) period of at least two years. Provisional members complete written materials and are interviewed by members of the board of ordained ministry before their election to provisional (commissioned and licensed) and full connection membership and ordination. Provisional members may serve in extension ministries. Provisional members do not vote on matters of clergy relations.

Provisional Elders (PE) serve under a license to preach and have sacramental authority that is limited to the boundaries of their appointment. They are subject to the itinerant system.

Provisional Deacons (PD) serve under a license to practice the art of ministry. Provisional deacons are not subject to the itinerant system and must find their own ministry setting. They may perform weddings. Provisional deacons who work outside the local church must also have a relationship with a local congregation.

Ordained and Licensed

Associate Members (AM) are clergy who have completed educational and other requirements that are outlined in the Discipline. They are elected to associate membership by members in full connection at the clergy session. Associate members are subject to the itinerant system. Associate members cannot vote on matters of clergy relationship. There are two types of associate members:

Associate Members (Deacons) who came in under any Discipline prior to 1996 are ordained deacons, whose sacramental authority is limited to their appointment. Associate member deacons may perform marriages outside the bounds of their appointment.

Associate Members (Licensed) with a permanent license (2000 Discipline and forward) have sacramental authority within the bounds of their appointment. Licensed associate members cannot perform marriages outside their appointment.

Licensed

Local Pastors (FL/PL/SP) are clergy who serve under license. The license must be renewed annually. They must complete certain education requirements to maintain their license. Local pastors have sacramental authority and may perform marriages within the bounds of their appointment. All local pastors are subject to the itinerant system. Local pastors cannot vote on matters of clergy relations.

The difference between full-time and part-time local pastors (FL/PL) is not the number of hours worked but salary. Any licensed local pastor making less than the minimum equitable compensation for a local pastor classification is considered part-time.

Student Local Pastors (SP) are clergy serving an appointment and attending college, university or seminary on a full-time basis.

Ordained Clergy from Other Denominations

There are times when clergy from other denominations serve as pastors of United Methodist churches. The following designations apply to these persons:

Elders from other Annual Conferences and other Wesleyan denominations are designated **OE**.

Associate members from other Annual Conferences are designated as **OA**.

Elders from other UMC conferences may decide to affiliate with a conference where they work or reside, while keeping their membership in their home conference. These clergy are called **Affiliate Members (AF)**.

Clergy from non-Wesleyan denominations are designated **OF (Other Fellowship)**.

Clergy in these categories maintain the rites and authority granted by their denomination while being subject to the rules and order of the United Methodist Church.

Non-Credentialed

Supply Pastors (SY) are men and women who are appointed to serve as pastors of a church without credentials. They are not clergy and have no sacramental authority. Supply pastors cannot perform marriages.
