MIRROR**

The Abingdon District United Methodist Men's Executive Committee would like to make you aware of a wonderful opportunity for the men of your church. We will be hosting a two-day men's event that we hope will mobilize men for Christ.

The event is entitled Success That Matters. The seminar material was prepared by Man in the Mirror. Man in the Mirror has partnered with many Christian organizations for the purpose of serving church leaders who are reaching men. You can find out more about the organization at www.maninthemirror.org.

Our goal is to reach men and motivate them toward sustained spiritual growth. This event has been designed to produce the following long-term results:

- Men will move from being Cultural Christians to Biblical Christians
- Men will become spiritual leaders to their wives and children
- Men will become more active workers in the Church
- Men will become better financial stewards and tithers
- Children will be more involved in the church
- Congregations will grow as men invite their associates to visit the church.

This seminar will unite men in a common purpose and show them what God can do in their lives. It is designed to help men examine their lives and take steps toward Biblical Christianity. After the seminar, a six-week follow-up life plan will encourage men to continue to meet regularly and make God's Word part of their everyday lives.
