

Instructions for Online Hotel Registration at Music Road Resort for Convocation 2018

Music Road has new software for online reservations. If you have any difficulty with this, feel free to make reservations by phone (855-790-4646). If you call in your reservation, be sure to state our Holston group code, **08556**, to get the discount rate.

Step 1:

Go to Holston's [registration page](#). Click on "Book Now."

Step 2:

The dates for Convocation are blocked out in white. Click on your check-in date and your check-out date and then click on "Confirm dates of stay" in the box below the calendar.

Step 3

Scroll down the list of available rooms and click on "book" for the room you would prefer. (Note that some of the choices are in the Inn and some in the hotel.) If you do not see a room type you may require, please call reservations direct for assistance at 1-855-790-4646 to check full availability, since not every room appears online. Also, please note that there are a limited number of king bed rooms available on Sunday and Friday nights.

Step 4:

Complete the payment information on the final page and click "Book Now."
